### Important

You do not need to send a medical report at this stage for a child for whom Domiciliary Care Allowance is being paid by this Department.

The following medical forms are in two parts. Have Section A completed and signed by the person being cared for.

You must then pass the entire medical form to the doctor of the person being cared for. The doctor may return the form to you in a sealed envelope to keep their patient's medical details confidential.

Please make sure you return the medical form along with your application.
